Remarks

You'll enjoy the view from this large lot located in a rural setting of Southern Lehigh School District. This 3 bedroom 1 and a half bath bi-level home has all new siding and a new roof! Inside you'll notice the hardwood floors throughout. The living room has a wide opening and flows right into the dining room that opens into the kitchen. The modern kitchen has a breakfast peninsula, granite countertops, farm sink, contemporary backsplash, built-in microwave, dishwasher, oven/range and refrigerator. Light flows into this home with newer vinyl windows throughout. Down the hall are 3 bedrooms and a updated hall bathroom with a sliding barn door. From the dining room you can access the deck with stairs down to the patio that includes and outdoor pizza oven and a pergola. The lower level has a sliding glass door to walk out to the back yard patio. There's a large family room with a pellet stove, a wet bar, refrigerator and a half bath. You can also access the built-in 2 car garage from the basement, so no need to walk through the rain or snow. The driveway has plenty of room for parking. The large 16 X 20 shed will come in handy for storage. Bring your dog because there's an underground fence. Close to amenities. but feels rural.
